Job Title: Mapping Technician (Full-time)

Location: NE Saskatchewan - Flexible (Humboldt/Melfort/Wynyard/Other)

Start Date: Immediately

About Us:

CropPro Consulting is the largest independent agronomy company in Saskatchewan, serving our clients for nearly 20 years! Our business is comprised of two main areas: SWAT MAPS Variable-rate and Crop Scouting Services. SWAT MAPS is the foundation of all soil applied variable-rate applications, enabling farmers to better understand their field variability to optimize crop inputs and profitability. You can find more information on our services at www.croppro.ca.

Responsibilities:

- Collection of geo-referenced electrical conductivity, RTK elevation, and field boundaries
- Assisting with weather station installations and in-season maintenance
- Assisting with in-season variable-rate field assessments, including plant stand counts
- Providing variable-rate controller support to new clients
- Assisting agronomy staff with in-season insect and disease scouting
- Champion the brand and help grow the business throughout SK

Requirements:

- A bachelor's degree or diploma in Agriculture, or related field
- Strong knowledge of Western Canadian agriculture and farming practices considered an asset
- High level of integrity and commitment to providing unrivaled service
- Able to work independently and think strategically
- Ability to travel, if needed
- Class 5 Driver License required. Abstract may be requested
- Basic mechanical knowledge considered an asset
- Must be willing to work overtime in peak seasons
- Excellent communication and problem-solving skills
- Strong computer skills, with willingness to learn GIS and farm management software

What to expect from CropPro:

- Competitive salary with annual bonus incentive and growth opportunities
- Attractive health benefits and RRSP program
- Home office subsidy
- Work vehicle and all required equipment
- Training and development opportunities

The deadline to apply is Aug 31st. Please submit cover letter, resume, and references to chris.hawkins@swatmaps.com. Only those selected for interview will be contacted. The position may be filled prior to closing for the right candidate.
